Tour Name should be (Event Name + City Name + number of days). To calculate the days duration of tour: Hotel check in - out or flight departure date -

Show the icons of the type search (Example: ticket icon + hotel icon + flight icon)

Sections should be in date order chronologically (1st to 31th)

If we add coments, would be better to place below with the list of all information. the cell is very small for a comment

List with all information

Space for adding new notes after tour finished. User can comment over his tour's experiences. Upload, share, videos, pics from the tour. Comments of the event, hotel, flight, restaurant, activity, etc..
